Parish Policy Statement for safeguarding Adults when they are Vulnerable 2017-2018

The following policy was agreed at the PCC meeting held on 19th September 2017

- The Parochial Church Council of the Parish acknowledges its responsibilities for the support, nurture, protection and safeguarding of all our church community. We recognise that everyone has different levels of vulnerability and that all adults should be offered respect and given inclusion and empowerment within the church.
- We are committed to adopt and implement a safeguarding policy for adults when they are vulnerable, accepting as a minimum the House of Bishops' Policy on safeguarding vulnerable adults (Promoting a Safe Church 2006). In addition, the parish will follow the Diocese of Salisbury's framework for safeguarding and good practice while being responsive to local parish requirements.
- We are committed to reviewing our Safeguarding Policy annually, and as part of this to check that our parish safeguarding procedures, including DBS checks, are up to date and relevant. Our policy will be endorsed at the first full meeting of the PCC following the APCM so that new members are aware of their responsibilities, and to confirm the existence of the parish policy.
- We will ensure that all the necessary checks are made to promote the safe selection and recruitment of ordained and lay ministers, paid workers and volunteers working with adults when they are vulnerable, and to provide the necessary supervision, training and support in order that they can undertake their roles effectively.
- We will respond without delay to every concern that a vulnerable person for whom we have responsibility may have been harmed, or at risk from harm or abuse.
- We will fully cooperate with the Diocese and appropriate statutory agencies in every situation and will not conduct our own investigations. We will endeavour to act in an open, transparent and accountable way in working in partnership with the Diocesan Safeguarding Advisor, Adult Social Care Services, the Police, Probation Services and other agencies to safeguard adults when they are vulnerable and assist in bringing to justice anyone who has committed an offence against them.
- We will ensure that informed pastoral care is made available to any affected vulnerable adult and their families, and to any member of our church community against whom an allegation is made.

We have appointed as our Parish Safeguarding Representative Mr John Palmer
